

EDEN POINTE

ORIGINAL SITE PLAN DESIGN

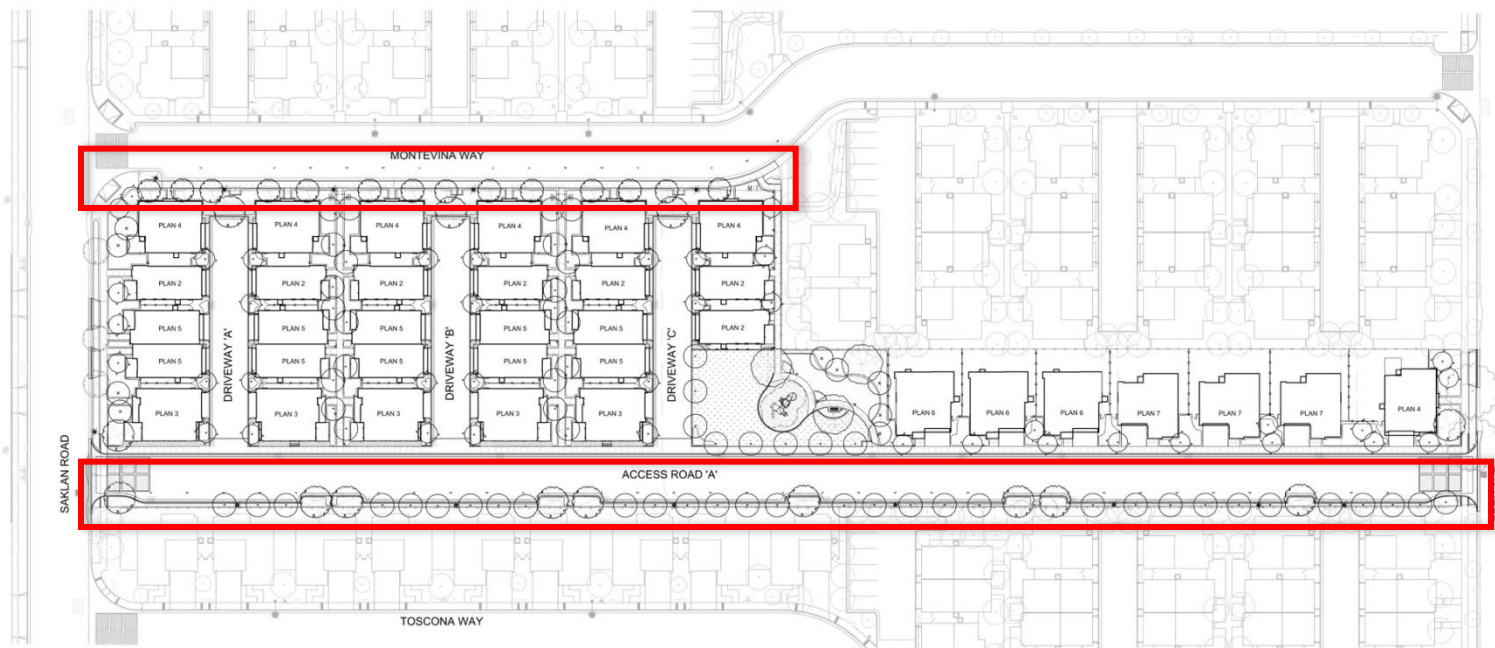

HAYWARD, CALIFORNIA

- 3,688 sq. ft. open space
- Gathering place for social community interaction including play structure, seating areas and shade trees

- Each home with 2-car side-by-side garage
- 38 additional guest parking stalls
- 3.1 parking stalls per home exceeds existing KB Home and Standard Pacific communities (3.0 and 2.4, respectively)

- Rear yard setback and street setback to existing homes (previously 3.5' on both sides)
- 2-story homes instead of 3-story homes
